In re Application of	:	
STROBEL, et al.	:	DECISION ON PETITIONS
U.S. Application No.: 10/531,201	:	
PCT No.: PCT/EP03/11347	:	UNDER 37 CFR 1.497(d)
Int. Filing Date: 14 October 2003	:	
Priority Date: 14 October 2002	:	AND 37 CFR 1.137(b)
Atty Docket No.: 60680-2030	:	
For: ELECTROCHEMICAL SYSTEM	:	

This decision is in response to applicant's "Petition For Revival of an Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)" which includes a petition under 37 CFR 1.497(d) to add inventor Johann Waldvogel. The \$130.00 petition fee will be charged to deposit account 18-0013 as authorized.

Decisions on the petitions are being held in abeyance pending more information from applicant. It appears that all of the necessary items for granting the petitions have been satisfied, however, an issue remains as to the correct inventorship for the application. Specifically, the filed declaration identifies Bernd Gaugler as the second named inventor. However, the published international application identifies Mr. Gaugler as an applicant for the US only while identifying the other inventors as "inventors/applicants (for US only)." As such, it is necessary for applicant to provide an explanation and clarification as to Bernd Gaugler true status for this application.

Applicant is hereby afforded **TWO (2) MONTHS** from the mail date of this decision to file a proper response. No additional petition fee is required. Extensions of time may be obtained under 37 CFR 1.136(a).

Any further correspondence with respect to this matter should be directed to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
